About the Conference

The Bilingual/Multicultural Education Department (BMED) sponsors an annual Multicultural Education Conference to provide an opportunity for Sac State faculty and educators to join forces in their efforts to promote multicultural education in K-12 public schools in the Sacramento region.

The conference also provides a forum for addressing issues that particularly affect educators serving culturally and linguistically diverse students.

Approximately 45 break-out sessions will be presented by faculty, teachers and students at the conference.

Keynote Speaker: Dr. Shawn Ginwright

Shawn Ginwright is an Associate Professor of Education in the Africana Studies Department and Senior Research Associate for the Cesar Chavez Institute for Public Policy at San Francisco State University. In 1989, Dr. Ginwright founded Leadership Excellence Inc., an innovative youth development agency in Oakland, California that trains African American youth to address pressing social and community problems.

In 1999, he received his Ph.D. from the University of California Berkeley. His research examines the ways in which youth in urban communities navigate through the constraints of poverty and struggle to create equality and justice in their schools and communities. He has published extensively on issues related to urban youth in journals such as *Social*

Problems, Social Justice, Urban Review, and New Directions in Youth Development. He is a highly sought speaker for both national and international audiences.
