About the Conference

The Bilingual/Multicultural Education Department, in co-sponsorship with the Serna Center and Project Citizen announces its 16th annual Multicultural Education Conference. The free conference provides an opportunity for university faculty and educators committed to social justice to promote multicultural education in K-12 public schools in the Sacramento region.

The day includes a keynote address by social justice educator Dr. Brian D. Schultz, followed by a panel discussion by candidates for California State Superintendent of Public Instruction. Thereafter, 30 break-out sessions covering a range of topics will be presented by faculty, teachers, and students. Optional units to be available.

Possible Conference Session Strands:

- 1 Parent/Community Involvement/Organizing/Activism
- 2 Bilingual Education/Second Language Acquisition
- 3 Peace and Conflict Resolution
- 4 Social Dominance and Power Relations in Society
- 5 Social Justice Civic Involvement/Service Learning
- 6 Multicultural/Social Justice/Diversity Education
- 7 Technology Integration & Anti-Bias Media Analysis
- 8 Empowerment through Critical Pedagogy
- 9 Curriculum and Strategies for English Learners
- 10 Impact of Educational Reform Policies on English Learners
- 11 Identity Politics and Multicultural Education
- 12 Teacher Leadership in Multicultural Education and Higher Education
- 13 Teaching for Social Justice in the Sciences, Math, Arts, Social Sciences, Language Arts, and Foreign Language
